

LSE INSTRUMENTAL MUSIC BOOSTERS

Do you appreciate the marching band and color guard shows at football games? The pep band at basketball and volleyball games? Do you enjoy concert music performed by the Symphonic Band, Wind Ensemble and Orchestra? How about great jazz music? The Instrumental Music Boosters actively support and provide financial assistance to all of these instrumental music groups at Southeast High School.

Please consider showing your support of these students and their talents by joining the LSE Instrumental Music Boosters. If you would like to volunteer to help, please check out our website at www.lseband.org Our website is a great way to receive information about instrumental music activities! Please sign up for the e-mail list by following the instructions available our home page.

Being a Band Booster may include giving a financial BOOST to the Band! Contributions in any amount are greatly appreciated and may be used to

- ♪ **supplement classroom instruction with section coaches** (in an average year, the band spends about \$4,000, with instructors earning less than minimum wage for all of the hours they put in!)
- ♪ **provide gloves for Band members**
- ♪ **provide copies of show music for each Band member**
- ♪ **purchase additional instruments** (including sideline and marching percussion and the sound system)
- ♪ **enhance the visual impact of the Marching Band show with props and Color Guard** (on average, the Band spends \$1,500 to \$2,000 for prop and flag material, not including all of the volunteer hours spent on sewing and construction)

In addition, the Band **ALWAYS** needs water. Cases of water can be donated to the Band, or money can be donated to assist the Band in purchasing water. There are about 150 members of the Band, and we try to provide water for competitions and football games. On average, we use 2 bottles per member, per event – **that's a lot of water**. Since we use water throughout the marching season, we gladly accept donations at any time.
