

The school year is winding down and we are starting the process of turning in band uniforms. Returning uniforms prior to the end of school is mandatory because they all go to the dry cleaners at one time. Grades and diplomas will be held until uniforms are turned into Mr. Metteer.

For the final concert at Wesleyan on Monday, May 19th, Symphonic Band and Wind Ensemble students will wear their own nice clothes, NOT their band uniforms.

If you are performing in a small ensemble group on Thursday, May 15 AND/OR performing with Wind Ensemble at Worlds of Fun on Sunday, May 18th, you must keep your concert band uniform until after these performances.

If you are NOT performing on May 15 or May 18, please bring your concert band uniform (black pants, black jacket with gold buttons, white ruffle) in your garment bag to Mr. Metteer's office any day after 6:30 a.m. If you borrowed black shoes, please return them, too.

If you still have a marching band uniform (black pants, white jackets and hats), please bring it to Mr. Metteer's office any time after 6:30 a.m. If you have marching band shoes that you no longer need and would like to donate to our band program, please turn them in as well.

Any questions, please contact Cathy Dorenbach at cdorenbach@neb.rr.com. Thank you!
